

Can you solve the riddles below?
Encircle the the answers (objects) in the painting
AristoCart by Daniel Coquilla.

Monkeys have me for lunch,
When there's a group of of me,
We are known as a bunch.

I am light and thin as air,
But so very bad for the environment,
Any more of me Mother Earth cannot bear.

I have two pedals on either side,
But with no engine,
Almost like a car in which you ride.

I help protect your eyes,
I sit on your ears and rest on your nose,
So make sure to get the right size!

I blow in the wind when you huff and puff,
Do not inhale because I am bad for your lungs,
For sure I will give you a real nasty cough.
